

October 18th, 5pm @ WorkBetterLab

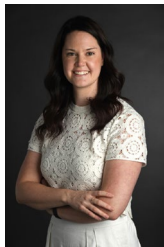

1818 Market Street 28th Floor, Philadelphia, PA 19103

Furniture & Technology in Education

A Hybrid Panel Discussion

Experts in the fields of education and technology gather both in-person and remotely to discuss and debate how technology enhances learning outcomes and the learning experience.

Moderated By:

Susan Flaherty

Smith System
Regional Sales Manager

Our Virtual Attendees will receive a link via email prior to the event

Susan is a project leader with 12 years' experience engaging the contract furniture industry with a commitment to ensuring her projects are in-line with the goals of her partnering design firms, project management firms and owner's representatives. At Smith System, she services k-12 schools in New Jersey, Delaware and Pennsylvania with applications in education furniture & technology.
