

CI Frame TV

Concept

Budgetary Pricing

55" Display - \$4,299.99 (Shown Below)

65" Display - \$4,871.99

75" Display - \$5,871.00

*** Please Note:** Standard AV system pricing in this document is for budgeting purposes only and does not include taxes. Factors that dictate the final pricing for a system may include project location, local labor rates, union labor requirements. Any project budgeting exercise using this pricing guide should include a 10% contingency.

The CI Frame TV This Lifestyle TV helps you curate your own gallery with works of art. It's customizable to fit your style—while showcasing expert-validated color and 4K resolution.

Enjoy more visibility of your QLED 4K TV with 100% Color Volume with virtually no light reflection, night or day. The premium Matte Display Film limits light distraction by reducing glare from all your shows, contents, and works of art.

Design Considerations:

- Display modern art, classic art or your own personal photos on your QLED 4K TV with Art Mode.
- Anti-Reflection with Matte Display enables more screen visibility with virtually no light or glare.
- Match your TV to your own style with colorful bezel options.
- With the included Slim-Fit Wall Mount, hang The Frame flush against the wall like a real art piece.

CI MEDIA CART

Concept

Budgetary Pricing

65" Display - \$8,764.00 (Shown Below)

75" Display - \$9,202.00

*** Please Note:** Standard AV system pricing in this document is for budgeting purposes only and does not include taxes. Factors that dictate the final pricing for a system may include project location, local labor rates, union labor requirements. Any project budgeting exercise using this pricing guide should include a 10% contingency.

The CI Media Cart is made to handle the many choices and fast changes in digital display technology. It holds any monitor up to 75" and moves with ease, to training rooms, meeting spots and more – wherever teams want to videoconference or share a screen. This cart supports digital collaboration today and tomorrow.

Design Considerations:

Logitech Rally Bar can be mounted easily above (shown) or below the display that can better support eye-to-eye contact.
